Sub:- Electricity
Supply of ---- to
Talikota town. *District Bijapur*

Sir.,

I, the undersigned, Basawantrao Doddappa Bhairi
Dist. Bijapur
of Kalkeri, beg to lay the following few lines of request
for your kind consideration.

Talikota is a town situated in a place
surrounded by a fertile hinter land. It is fast growing
as a business as well as an industrial centre. It is
desirable that the growth of the town is encouraged by
offering immediate needs of the town, such as electricity
water supply, etc.

I understand that the said town has not been
| included in the Government Grid Scheme for the supply of
electricity and therefore, I offer myself for supplying
electricity to the said town. I request therefore, that
I should be kindly guided as to how I should proceed for
obtaining licence for the installation of the power
generating plant. I have got in view the machinery, etc.
required for the purpose. If there are any forms in this
respect, they should kindly be supplied to me.

Hoping to hear early from you,

I remain sir,

Yours faithfully,

W. D. W. O.
